CNC MULTI HEAD GLASS CUTTING MACHINE

About Us

With more than 5 years of experience, our company, Laxmi Technoworld, stands among the top manufacturers, suppliers, and exporters of heavy-duty industrial machines. Our offered range includes Hydraulic Cold Press Machine, Vacuum Membrane Press Machine, Wood Crusher Machine, Laser Engraving Machine, Thermocol Cutting Machines, and more. Not only do our products improve work productivity, but they also remove unwanted human-made errors. Our products are highly appreciated in the market for their superior durability, hardness, corrosion resistance surface, and high functionality. They are known to be highly efficient and can serve well for a long period of time.

We use premium-grade raw materials procured from reliable vendors in the manufacturing of these items. All our products go through a series of quality assurance tests, making sure that they are fit to be used by our clients. We ensure that the quality of our items matches or exceeds the set international standards. All our items are available on the market at competitive prices, and their timely delivery is ensured by our strong logistics and delivery team.

Key Facts

No of Staff	18
Year of Establishment	2018
OEM Service Provided	No

Our Products

Industrial Wood Crusher Machine

CNC Multi Head Glass Cutting Machine

Mini CNC Glass Cutting Machine

Industrial CNC Drilling And Milling Machine

100 Ton Hydraulic Cold Press Machine

Industrial CNC Wood Cutting Machine

Industrial Glass Tempering Furnace

1325 CNC Stone Router Machine

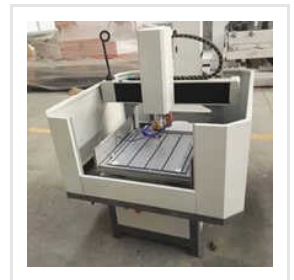

Industrial CNC Pattern Making Machine

Multi Head Manual Glass Cutting Machine

CNC Thermocol Cutting Machine

Metal Cutting Engraving Machine

Mini CNC Router Machine

Double Head CNC Router Machine

CNC 3 Head Table Cutting Machine

Industrial Vacuum Membrane Press
