About Us

Established in 2025 and based in Pandharpur, Maharashtra, Eximpro Group is a dynamic manufacturer, supplier, trader, and exporter committed to delivering excellence across diverse product ranges. We specialize in high quality agricultural and allied products, including Custard Apple, Fresh Pomegranates, Vermi Compost, Egg Powder, Plant Growth Regulator and so on. We blend traditional knowledge with modern technology to ensure every product meets stringent quality standards. Our fresh fruits are carefully cultivated to retain their natural flavor, nutrition, and freshness, while our Egg Powder undergoes advanced processing to guarantee purity, safety, and superior shelf life. Our eco friendly Vermi Compost and plant growth solutions support sustainable farming, enhancing soil fertility and crop productivity.

Customer satisfaction, consistency, and reliability form the core of our operations. We serve a wide network of retailers, wholesalers, distributors, and international clients, maintaining seamless supply and uncompromising quality with every order. Driven by innovation and a commitment to sustainable practices, we continue to expand its footprint in both domestic and global markets. Whether it is agriculture, food processing, or allied products, we strive to provide solutions that empower farmers, businesses, and consumers alike, building trust and long term partnerships.
