PERFORATED TRAY

About Us

Understanding the growing demands of high quality products in Pharma, Chemical, Electronics and Heavy Industries, Steelfab Industries began its business operations in the year 2002. Since the establishment, we are committed to offer world class products and services at market leading price. We are known as an eminent manufacturer, exporter, and supplier of a wide range of Sheet Metal Pressed & Fabricated Parts, Equipment for Solvent Plants, Sheet Metal Pressed & Drawn Parts, Precision Engineering Machined Parts, etc. Our company has good O.E.M. reputation in the domestic as well as international market. Our product range caters to the needs of a vast clientele based in India as well as in Gulf countries and U.A.E. In addition to offering a comprehensive range of equipment, we are also providing quality after sales services to our clients. Leveraging on the skills of our diligent workforce, we have established ourselves as a trusted service provider in the industry.

With the help of our cutting-edge technology, we have been able to achieve excellence in designing and manufacturing the products that meet various industrial applications. These are used in Pharmaceutical Industries, Engineering Industries, and Oil Extraction Plants. In order to achieve maximum level of customer satisfaction, we pay due attention to quality in each product & service. These parts are made of sturdy raw material that make them highly durable, functional, and reliable. Our high quality standards have fetched us wide clientele.

**Key Facts**

Nature of Business	Manufacturer
Primary Competitive Advantages	metal shoe rack, sheet metal cabinets, precision sheet metal parts, aluminium enclosure, modular rack, stainless steel tray, Stainless Steel Perforated Tray, perforated tray,
No of Staff	50
Year of Establishment	2002
OEM Service Provided	No
ProductRange	metal shoe rack, sheet metal cabinets, precision sheet metal parts, aluminium enclosure, modular rack, stainless steel tray, Stainless Steel Perforated Tray, perforated tray,

Our Products

Jacketed Reactor

Laser Cutting

Sheet Metal Components

Boiler Tank

Pharma Water Tank

Sheet Metal Parts And Fabrication

SS Water Tank

Humidity And Water Tank

Solvent Extraction Machinery

Engineering Equipments

CNC Punching And Bending

Sheet Metal Part

Deep Drawn Components
