## About Us

Cosmos Tapes & Labels Pvt. Ltd. is an established converter, fabricator, manufacturer and distributor of a wide range of pressure-sensitive Adhesive Coated Tapes as well as Die-cut Foams, Fabrics, Non-woven Materials and other related products meeting the stringent requirements of Automotive, White Goods & Electronic Applications. Cosmos resources are used worldwide.

There are many companies in current phase of development, that are trying to take the lead in the market, but only a few like us, Cosmos Tapes & Labels Pvt. Ltd. are successful. We began our journey from the city of Sahibabad, Uttar Pradesh, India a decade ago, with our exclusive collection of tapes. Since that time, our products including Heat Sealing Tapes And Glass Cloth Tape, Cross Filament Tape, Electrical Insulation Kapton Tape, Heat Sink Tape, Aluminium Foil Sealing Joint And Masking Tape, and many others have gained significant popularity among various national as well as foreign industries. This is why our market preferences have evolved steadily and continuously over the time.
