

SensorTech (OPC) Private Limited

Product Specification

Product Name: Printed Circuit Board: SEN-ECM-PCB-01

Product Details;

A **printed circuit board (PCB)** offer electrical connection with mechanical stability between electronic components or electrical components through conducting tracks, pads and other features etched from one or more sheet layers of copper laminated onto and/or between sheet layers of a non-conductive substrate. Components are generally soldered onto the PCB to yield electrical connection together mechanically stability. SEN-ECM-PCB-01 display a typical examples of our product. The company fabricate PCB as per requirement of circuit diagram. Contact customer support for further information.
