About Us

Novella Corporation is a reputed Manufacturer, Supplier, Trader and Exporter of high quality Phosphoric Acid, Agriculture Fertilizer, Borax Pentahydrate, Citric Acids, Detergent Chemicals, etc. Novella Corporation offers a wide range of products that serve multiple industries, including textiles, laundry, paper, chemicals, healthcare, and construction. Many of our products are versatile, which allows us to maintain sufficient stock levels to meet demand promptly.

From humble beginnings, Novella Corporation has grown to establish nationwide sales and distribution networks. Our growth has been strategic and carefully managed. We are actively involved in international trade and maintain significant dealings with various global organizations. With extensive experience in sourcing and supplying specialty chemicals, especially for the Indian ceramic industry, we have built a reputation for excellence in customer service, competitive pricing, and steady business growth.

Key Facts

Nature of Business	Distributor
Primary Competitive Advantages	sodium tripolyphosphate,caustic potash flakes,sodium lignosulphonate,soda ash light
No of Staff	15
Year of Establishment	2010
OEM Service Provided	No
ProductRange	sodium tripolyphosphate,caustic potash flakes,sodium lignosulphonate,soda ash light

Our Products

Boron 15 Granular

**Borax Pentahydrate
Neobor**

**V Bor Borax
Pentahydrate Powder**

**Borex Pentahydrate
(V-BOR)**

Acetic Acid Chemical

Acetic Acid Gnfc

**Citric Acid
Monohydrate**

**Sodium Silicate Glass
Neutral**

**Alkaline Sodium
Silicate Glass**

SIs Powder Chemicals

**Xingfa Sodium
Tripolyphosphate**

Saukem Soda Ash Light

**Sodium
Tripolyphosphate**

Zinc Oxide

**Caustic Soda Flakes
Lye**

**White Wollastonite
Powder**

ADDRESS

Plot No. 7, B/h Iscon Plaza, Paneli Road, Near Dariyalal Hotel, Rafadeshwar Chowkdi, Morbi, Gujarat, India (363642).
