

# WEIGH LOAD CELL

We are Specialists in Load, Force, Thrust, Stress, Strain,  
Weigh, Impact, Tension, Torque, Pressure, Level, Sense.

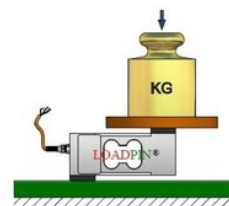

Ball Type Load Cell, Batch Controller, Bending Beam Load Cell, Bite Force Sensor, Button Load Cell, Compression Load Cell, Concrete Batch Controller, Conveyor Weigh Unit, Crane Link Load Cell, Crane Load Cell, Crane Load Cells, Double Ended Shear Beam Dynamic Load Cell, Double Ended Shear Beam Load Cells, Force Test Load Cell, Industrial Batch Controller, etc.

**SINGLE POINT PLATFORM LOAD  
CELLS**

**MINIATURE LOAD CELL**

**PLATFORM SCALE LOAD CELL**

## About Us

Under leadership of Mr. N. I. Rana (Proprietor), Hariom Electronics established in 2002, specialized in designing, manufacturing, research & continuous developments in Platform Load Cells, Precision Load Cells, Force Sensors, Transducers & also Instrumentation Indicators, Controllers with rich industrial experience. Some of our reputed customers are Schneider Electric, Larsen & Tourbo, Areva T&D India, Shipyards, Gammon India, Caltron, Endeavour Instruments etc

A proud member of Vadodara Chamber of Commerce & Industries, we, Hariom Electronics are known as a prominent manufacturer, supplier, service provider and exporter of Compression Type Load Cell, S Beam Load Cell, Single Point Platform Load Cells, Peak Hold Instruments, Weighing Accessories, Instruments for Weighing System Applications etc. Developed in sync with international norms, the compression load cells we offer are widely used for force test, truck scale, floor scale, warehouse scale, axle-load scale and compression measurement. Some of the striking features of our compression type load cells are accurate results, excellent performance and longer life. Moreover, with our production capacity of more than 1,00,000 pieces/ year, we are holding record of meeting numerous bulk or emergent orders of patrons in less time.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	single point load cell,portable weigh pads,weighing pad,weigh module,strain gauge load cell,shear beam load cell,tension load cell,load cell cables,load cell amplifier,digital load cells
<b>No of Staff</b>	12
<b>Year of Establishment</b>	2002
<b>OEM Service Provided</b>	Yes
<b>Monthly Production Capacity</b>	100000
<b>Memberships</b>	Laghu Udyog Bharti, Vadodara Chamber of Commerce & Industry, The Makarprua Industrial Estate Charitable Trust
<b>ProductRange</b>	single point load cell,portable weigh pads,weighing pad,weigh module,strain gauge load cell,shear beam load cell,tension load cell,load cell cables,load cell amplifier,digital load cells

### Our Products

**Crane Load Cell**

**Concrete Batch Controller**

**Compression Load Cell**

**Weighbridge Load Cell**

**Shear Beam Load Cell**

**Double Ended Shear Beam Load Cells**

**Double Ended Shear Beam Dynamic Load**

**Crane Load Cells**

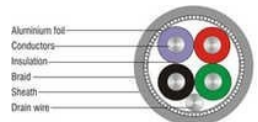

**Crane Link Load Cell**

**Bending Beam Load Cell**

**Load Pin**

**Load Cell Cable**

**Ball Type Load Cell**

**Jumbo Load Cell**

**OVERLOAD LIMITING DEVICE LOADPIN**

**Batch Controller**

ADDRESS

323/B, Basement Ito5, Opp.  
Lucky Restaurant, GIDC,  
Industrial Estate, Makarpura,  
Vadodara, Gujarat, India  
(390010).
