About Us

With a clear vision of providing the best packaging solutions, Anubandha Traders has become a trusted and preferred supplier of packaging materials to customers in India, providing only the highest quality raw packaging materials. Our values have been rooted in innovation, quality and satisfied customers, by serving customers in a variety of industries: agricultural, FMCG, personal care and many others. We have built our reputation for quality and trustworthiness over the years of providing multi-layered pouches and roll stock packaging that gives product protection, longer shelf life and increased visibility for their products. We provide a range of food-grade materials to industrial-grade film structures utilizing and putting together materials of variable functional and branding needs to achieve their satisfactory goals.

Whether you are providing seeds, millets, liquid soap, or FMCG, we are able to provide packaging that incorporate functionality and visual effect. Our knowledge of the functional and effective nature of the material and valid understanding of market needs, allows us to provide packaging that is useful and imbedded with purpose.
