About Us

Unicorn Engineers is a renowned company in the market for Induction Motors and Industrial Motors. The company operates as a manufacturer and wholesaler to meet market demands related to 3 Phase Induction Motor, Torque Motor, Vibrating Motor, Cooling Tower Motor, Single Phase Motor, and many others. We run our operations in a smooth and systematic manner because we have the right resources. At our company, we have a smart team of professionals to perform tasks and help us engineer different types of motors in many sizes, models, voltage capacities, and specifications. With the support of our team, we easily cater to the market demands and set benchmarks in a competitive market.

In addition to the team, we have ultra-modern infrastructural facilities that offer high efficiency and comfort to the team in performing the tasks. In our advanced manufacturing division, we speedily develop motors of different models with the help of installed facilities. We are attaining our goals and setting benchmarks, under the leadership of our mentor, Mr. Path Sharma. He has a bachelor degree in electrical engineering, and is professionally managing the operations of the organization. Under his tutelage, the company has attained enviable growth in terms of quantity and quality of products supplied.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	electric induction motor,electric induction motor,induction motor,three phase electric motor,three phase motors,industrial electric motors
No of Staff	10
Year of Establishment	2019
No of Production Lines	1
OEM Service Provided	No
Monthly Production Capacity	As per order quantity
ProductRange	electric induction motor,electric induction motor,induction motor,three phase electric motor,three phase motors,industrial electric motors

Our Products

Vibrating Motor

Cheese Winder Motor

Cooling Tower Motor

**7.5 HP 3 Phase
Induction Motor**

DC Brake Motor

Torque Motor

**3 HP 3 Phase Induction
Motor**

**1 HP 3 Phase Induction
Motor**

**2 HP 3 Phase Induction
Motor**

AC Brake Motor

**5 HP 3 Phase Induction
Motor**

Single Phase Motor

**0.5 HP 3 Phase
Induction Motor**

**10 HP 3 Phase Induction
Motor**

**20 HP 3 Phase
Induction Motor**

**Single Phase Special
Motor**
