About Us

Mahabir Pershad & Sons Agencies, which was founded in 1987, is a reputable manufacturer and supplier that provides high-quality goods and post-sale support for both our own brand, TARUU, and other well-known brands. We offer Dental Air Compressor, Automatic Water Softener, Pressure Switch For Booster Pump Set, High Pressure Wet Sandblasting Machine, and many other items along with quality assurance.

In our opinion, satisfactory outcomes cannot be guaranteed by quality alone unless the appropriate product is chosen based on the application. Therefore, we encourage customers to consult with us so that we can better meet the needs. We are confident that with teamwork, we can satisfy our customers with our dependability and quality. We have been in operation since 1987, we have the necessary experience to evaluate your needs and provide a suitable answer. We have a separate facility for testing, assembling, and repairing. Our components come from reputable suppliers. These elements are combined to create a variety of high-quality items sold under our brand.

Our goal is to provide the product that best fits your application and we are working in the same direction. We operate in cities like Ghaziabad, Delhi, Faridabad, Gurugram, Chandigarh, Ambala, Mohali, Ludhiana, Meerut, Lucknow, Jaipur, Kanpur, Allahabad, Varanasi, Agra, Srinagar, Aligarh, Amritsar, Saharanpur, Jalandhar and many more. As our supply chain management is strong, we are capable to deliver products on time and in safe manner.

Why Us?

We develop and set higher standards for both product line and quality as a result of our extensive experience and in-depth knowledge of the relevant industries. Additionally, it helps us better understand your demands, which enables us to continually provide you better solutions. This is among the major reasons that we have a growing number of happy customers.
