DWC ELECTRICAL PIPE

About Us

When looking for the best pipes used for laying electrical cable networks, fibre optics, rain water harvesting, laying sewer, etc., our company, Mohindra Eco Pipes is the best option. Since the year of 2019, we have been aiming to present the most unique range of pipes as a manufacturer and supplier. In terms of technological superiority, our pipes like Anti Corrosion DWC Pipe, 75mm Orange Double Wall Pipe, 150mm Long Orange DWC Pipe, 200mm Round DWC Pipe, 63mm Black DWC Pipe, etc., are more cost effective and superior to other pipes. For the production of our pipes, we use high-quality raw materials. We are rising to the top of the rapidly expanding piping and electrical industries by introducing best-in-class pipes in all standard specifications.

Our company, Mohindra Eco Pipes has been promoting the use of high quality pipes for drainage, sewage operations, and other applications. We have our facility located in the city of Jind, Haryana, India, where we produce the highest quality pipes. For a long time, our company has been devoted to providing a broad variety of pipes, including Leak Proof DWC Pipe, 250mm Inner Diameter DWC Pipe, 90 mm Orange DWC Pipe, 120 Orange DWC Pipe, 300mm DWC Pipe, etc. Our strong, long-lasting, and corrosion-resistant pipes are available in standard configurations to meet the needs of our clients. Our large production unit is our strength in producing the aforementioned pipes in large quantities and satisfying the client demands.
