About Us

The history of Indian Genomix (P) Ltd. dates back to the year 1998 when our company entrenched its roots in the market as an exporter and manufacturer of Cal 2 Mix Liquid, Pharmaceutical Formulations, Livomix Liquid, Fenbendazole With Cobalt Selenium, Veterinary Products and many more of unparalleled quality. Since the time of our origin, achieving maximum client satisfaction has been our prime objective. In order to not only stand up to our clients expectations, but exceed them we ensure that all the business operations we have to perform are conducted in a systematic manner so that no room is left for the mistakes.

The determination and hard work of our people have made us obtain the best results in the form of Mineral Mixture with Amino Acids, Ointments, Piperzine Adipate Powder, Pharmaceutical Products and Liquid Orals. Guided by our CEO, Mr. M. Anil Kumar; we have been touching heights of success and staying ahead in the competition by maintaining our professionalism. He in true terms is our guiding light and under his leadership, we are completing our targets within the stipulated time frame.
