About Us

Govind Steel Company Limited is a renowned 61-year-old organization that has consistently evolved into one of India's leading manufacturers of Valve Box, Counter Weight, Industrial Castings, Agriculture Wheel, etc., with an impressive installed production capacity of 24,000 MT. A family-owned enterprise now managed by its third generation, the company is strategically located at Rishra, near Kolkata, India, spread across 25,000 square meters with advanced infrastructure including its own railway siding, overhead cranes, and modern material handling systems.

The company serves both domestic and international markets by manufacturing industrial and decorative castings, sanitary castings for the housing sector, and heavy-duty products such as Bottom Plates, Counterweights, and Ingot Moulds. It also specializes in customized castings developed according to clients' drawings and technical specifications. Over the years, Govind Steel has established a strong global presence, exporting sanitary castings and other products to countries including the USA, Canada, Germany, Belgium, South Africa, France, Poland, UAE, Qatar, Oman, Bangladesh, and New Zealand.
