# About Us

Gone are the days when people had limited choices to decorate their spaces. With the growth in technology, innovations have been taking place. Needless to cite, space decoration is one such field that has been largely benefitted from advancement in technology and the same is visible in innovative panels for ceilings and walls. Today, wall and ceiling panels are replacing traditional space decoration products like wallpaper, wall painting and more. Introducing the finest panels for walls and ceilings is **Navshera PP Industries Private Limited**. We are a **Delhi, India** based **manufacturer** of **Plain Wooden Designed Wall Panel, Dark Maroon Wooden Designed Wall Panel, Orange Wooden Designed Wall Panel, Floral Design Blue Background Ceiling Panel, Hand Carved Ceiling Panel** and many others. These panels are not only attractive but also sturdy. Their fine texture and classy finish makes them a must buy.
