

# PURE WATER

Is the World's First and Foremost Medicine

Automatic Industrial Sewage Treatment Plant, Automatic Rapid Mixer Granulator, Automatic Sewage Water Treatment Plant, Automatic Surface Aerators, Compact Sewage Treatment Plant, Containerized Effluent Treatment Plant, Dairy Effluent Treatment Plant, etc.

**INDUSTRIAL SEWAGE TREATMENT  
PLANT**

**WASTEWATER TREATMENT PLANT**

**COMPACT SEWAGE TREATMENT  
PLANT**

## About Us

Since more than ten years, we, INHIBEO Water Solution & Technologies Pvt. Ltd., have been active in the field of water and waste water management. We have a track record of providing customers optimally designed systems as a technology leader from India. Our innovative solutions designed keeping client needs in mind ranges from Multi Effect Evaporators, Dual Media Filter, Activated Carbon Filter, Rapid Mixer Granulator to Effluent Treatment Plant and Sewage Treatment Plant. Our central drive being to extend our expertise to interested clients, we also offer our technological advantage through a range of tailor designed services. For instance, we offer Environmental Monitoring Service and Environmental Engineering Consultants Services at extremely competitive prices.

As a manufacturer, supplier and service provider, we are led by service quality, product reliability and innovation in business. We aim for healthy growth along with our clients, which is why we leave nothing to chance or rely simply on luck. We work hard, examine and optimize manufacturing processes as per prescribed standards and measure our environmental performance, time to time. Combination of all these factors helps us deliver excellence across a whole range of projects, including domestic, industrial and Govt. Projects.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	multiple effect evaporator, packaged effluent treatment plant, effluent treatment plant, compact sewage treatment plant, Industrial Sewage Treatment plant, sewage treatment plant,
<b>No of Staff</b>	250
<b>Year of Establishment</b>	2011
<b>OEM Service Provided</b>	No
<b>Product Range</b>	multiple effect evaporator, packaged effluent treatment plant, effluent treatment plant, compact sewage treatment plant, Industrial Sewage Treatment plant, sewage treatment plant,

## **Our Products**

**Industrial Ultrafiltration Plant**

**Industrial Activated Carbon Filter**

**Industrial Dual Media Filter**

**Industrial Tube Settler System**

**Industrial Multi Effect Evaporators**

**Automatic Sewage Water Treatment Plant**

**Environmental Engineering**

**Industrial Effluent Treatment Plant**

**Containerized Effluent Treatment Plant**

**Automatic Surface Aerators**

**Automatic Rapid Mixer Granulator**

**Industrial Oil Skimmer**

**Prefabricated Sewage Wastewater Treatment**

**Dairy Effluent Treatment Plant**

**Packaged Effluent Treatment Plant**

**Automatic Industrial Sewage Treatment**
