About Us

Sri Rama Electrical is a 2022-established, reputed manufacturer, supplier, and trader in the industry, highly dedicated to bringing forth a uniquely developed product range. As our name suggests, we specialize in electrical lights that are longer-serving. Our product portfolio includes Pole Top Series Lights, Linear Highbay Lights, Bottom Openable With Glass Street Lights, Wall Mounted PIR Sensors, Stellar Prime COB Recessed Downlights, and others.

Each product is a true reflection of consistent hard work and meticulous craftsmanship. Our team of professionals carefully designs all our products as per the latest market trends and customer requirements. Other than this, we also deal with renowned vendors in the industry to directly source our products. However, in both ways, the quality of our products is maintained.
