## About Us

Hira Wire Netting Industries, a manufacturing company from Chhattisgarh, has considerable experience in providing top quality products. After keenly observing that the Indian market was in a need for quality supplies like Chain Link Fencing, Binding Wire, Perforated Coil, Poultry Jumbo Feeder, Concertina Razor Coil, Fence Insulator, etc., the company took off as a manufacturer and supplier in 1990. Assuring overall quality and dependability, it began manufacturing products in bulk as per approved international standards. Soon, the company etched excellence marks as a seller of the safest, strongest, and the most dependable fencing and allied products. This marked its transition from being a humble product manufacturer to a prominent player in the industrial product manufacturing domain- one that boast a wide client base all across India. Today, after almost three decades of innovation and service, Hira Wire Netting Industries has become an undisputed champion in its field.

We, Hira Wire Netting Industries, have carved excellence marks in the production and supply of Chain Link Fencing, Poultry Jumbo Feeder, Fence Insulator, Binding Wire, and various other products. Made at our Raipur, Chhattisgarh located facility as per international quality standards, these products are high in quality and are swiftly supplied as per our delivery commitment. The ruggedly designed, low-cost products are heavily demanded by our clients based all across India. Today, our range has set benchmark industry standards with its high performance, reliability and negotiable pricing.
