About Us

We, Asian Prefab Homes, is one of the most acclaimed manufacturing concern, esteemed for our quality fabrications across the country. We are highly respected by clients because of our durable and reliable Sandwich PUF Panels, Roofing Structures, Portable Container Offices, etc. The beguiling designs of our fabricated structures also contributes to our popularity in the market. Offering such a collection, we have become a leading manufacturer of the sector. Many bestow their trust on our range completely and choose it over other alternates without any second guessing. To keep our clients satisfied with our company, we offer this impact tolerant, weather resistant, robust and quality accredited collection at reasonable prices.

Under the leadership of our CEO, Mr. Rajeev Singh, we also work as a responsible service provider. We promise to offer varied after sales services to our precious clients. Further, we manage to constantly meet customer expectations with our premium Interior Designing Services. These services are executed by an expert team of interior designer, they work in perfect compliance to industrial standards.
