About Us

Sustainability is not just a goal, but a guiding philosophy of our manufacturer and supplier company, Auravail Biopolymer India Private Limited. We are committed to paving the way for a more ecologically sensitive future as a reputable leader in the production of compostable and biodegradable bags. Our collection includes Biohazard Waste Garbage Bag, Biodegradable Compostable Fruit Bag, D Cut Biodegradable Compostable Bag and more. Integrity and innovation are our top priorities, from the careful selection of environmentally friendly materials to the cutting-edge production techniques that guarantee our products exceed the highest standards of quality and sustainability. Our biodegradable bags are made to break down organically, reducing their negative effects on the environment and producing no toxic leftovers.

Clean Green is our brand under which we are offering environmentally friendly products such as Biodegradable Compostable Fruit Bag, Biohazard Waste Garbage Bag, D Cut Biodegradable Compostable Bag, etc. Integrity, inventiveness, and a strong commitment to protecting the environment are the cornerstones of our brand. Every product sold under the Clean Green brand is made from compostable, guaranteeing that no toxic residues are left behind when they decompose.
