

KOMKON SYSTEMS

Leading Manufacturer, Wholesaler and Exporter of
Ripening Chamber & Insulation Panel

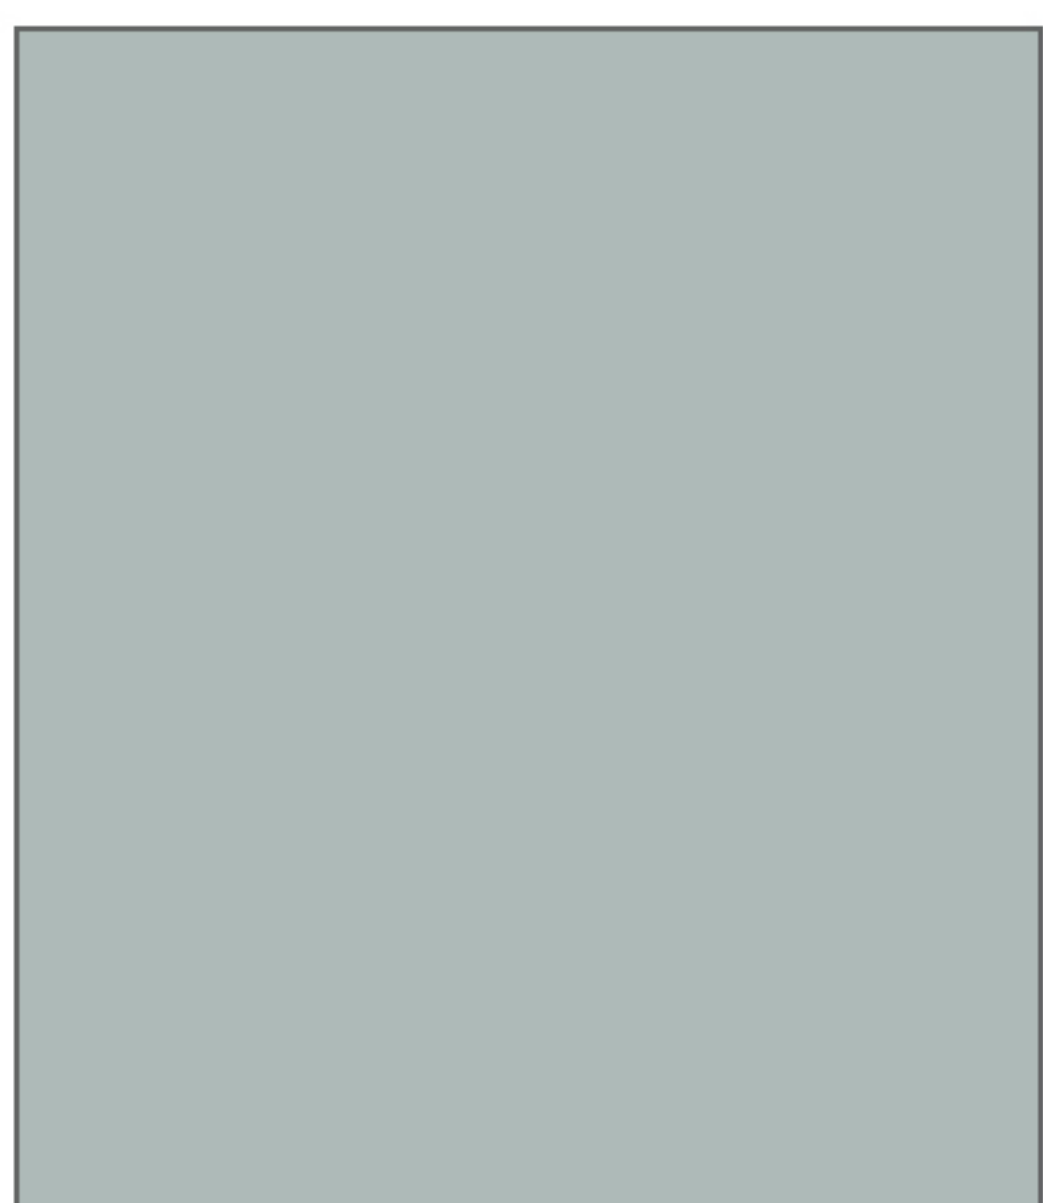

www.komkonsystems.com

ABOUT US

KOMKON Systems was started 15 years ago by a team of technocrats having a rich combined experience of over 30 years in the air conditioning and refrigeration field.

We are proud to introduce ourselves as one of the leading manufacturers of Modular Walk in Cold Rooms and Refrigerant equipments in India.

We manufacture prefabricated PUF insulation panels on customized machinery resulting in exceptional product stability and finish. We also manufacture specialized cooling equipments such as Walk-in-Cold Rooms, Air Conditioners, Refrigeration units to operate in a wide range starting from +30 up to -30.

We, therefore, offer a complete solution comprising of prefab insulated panels and refrigeration equipment to meet your exact need. Our stringent quality control ensures you get a product of international standards. However, excellent quality does not imply high cost. We offer you tailor made solutions at truly honest and unmatched prices. Our modular cold rooms find application in diverse areas like Food, Pharma, Hotels, Horticulture, Floriculture, Sericulture, Dairy, Ice creams, R & D Labs, Blood Banks, and Hospitals etc.
