About Us

D. K. Insulation Industries strives to provide its diverse range of insulation products to the market. With sound product knowledge and support of an excellent technical team, we are running our operations and well-performing in the domain. We have excellent manufacturing capacity, streamlined distribution networks and diversified product line that help us to outperform in the market competition. We are an expert in the market, performing as a manufacturer & supplier of different types of insulation materials. Some of the products that we have in our range are Big Ring with Slot Cut, Coil Winding Supporting Ring, DBR Hatch, FG Cylinder, Fiberglass Wedges, Fibre Glass Compressed Moulding Item, etc. Due to our products, we enjoy an enviable export base with an impressive list of clients from multiple industry verticals.

We prioritise on timely meeting the requirements of our customers. To ensure this, we have made investments in having a strong production setup and streamlined supply chain. We effectively meet the requirements of our customers also because of our sound facilities and strong team. Our market reputation is built on innovation, proper planning, compliance to high-quality standards, and our commitment to providing nothing less than excellent products to our valued clients.

Key Facts

Nature of Business	Manufacturer
No of Staff	25
Year of Establishment	1972
OEM Service Provided	No

Our Products

Single Segment Air Guide Assy

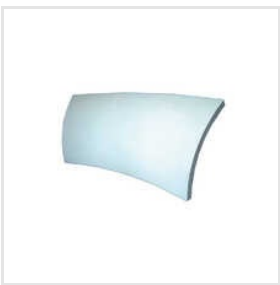

Epoxy Cylinder

FRP Bottom Air Guide Assy For Hydro

Insulation Blocks

Single Segment FRP Air Inlet Bell

Glass Epoxy Tubes For Magnet

Dynamic Braking Grid

FG Cylinder For Bhel

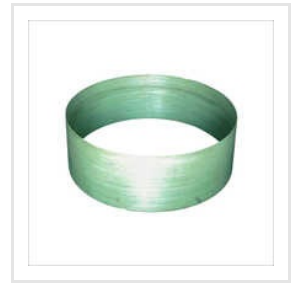

Winding Supporting Ring OR BRACING RING

Epoxy Insulation Flange

FRP COVERS CHANNEL (EPOXY AND

FG Cylinder

Support Rings

Air Guide Single Segment (POLYESTER)

Big Ring With Slot Cut (EPOXY)

Air Guide Assembly With Metallic Work
