About Us

We, Radhe Krishna Industries, are committed to excellence and therefore strive to achieve the highest standards across all our business operations, gaining an edge over our competitors. Over the years, we have been working a little more than usual. Consequently, we have secured a special place for ourselves in the hearts of a large audience nationwide. Customers consider us one of the most prominent and dependable manufacturers and suppliers in the industry. They rely on us to meet their demands for a broad range of Grey Aluminum Extrusions, Aluminum Glass Railing Brackets, Aluminium Glass Railings, Aluminium Glass Balcony Railing Profiles, and other products.

All our products are manufactured in compliance with predefined industrial norms. Hence, they are of superior quality and highly praise-worthy. We pride ourselves on offering the true value of the money invested by our customers and associates. We are leading the market today and have become one of the fastest-growing companies in our domain.
