About Us

We - Jha And Sons Clothing Private Limited are working from Noida, Uttar Pradesh, India. The foundation stone of our company was laid in 2010 and since then, we have been progressing to become a leading manufacturer, supplier, and trader. We are dealing in the best quality She Care Ultrathin Sanitary Pads, Loose Sanitary Pads, and She Care Regular Sanitary Pads. These are made with the help of modern machines that are installed in our production units. Here at our premises, a team of experts works dedicatedly to help us attain the monthly targets and fulfill all the demands of the clients. We have a team of 50 employees, wherein 10 skilled engineers and 10 seasoned designers work hard to meet the quantity and quality requirements of the clients. They remain well-versed in the industry trends and have experience in all the aspects. This makes them the best talent in the industry. We have directed our personnel to work by keeping quality and customer requirements as the core of all the processes. With this, we have been able to acquire a wide base of customers in various parts of India.

For regularly coming up with latest products and having improvements of the product quality, we have maintained a research and development unit. It is managed by highly skilled researchers, who closely study the changing trends in the industry and offer their valuable suggestions to the design and development team so that the product quality can be improved. They also suggest emerging technologies for improvisation in the production techniques. Their untiring efforts enable us to produce top quality Loose Sanitary Pads, She Care Ultrathin Sanitary Pads, and She Care Regular Sanitary Pads.

Jha And Sons Clothing Private Limited is a prestigious manufacturer, supplier, and trader of She Care Ultrathin Sanitary Pads, Loose Sanitary Pads, and other products. These are made in our factory located at Noida, Uttar Pradesh, India. At Jha And Sons Clothing Private Limited, our goal is to consistently develop quality products by using premium materials and cutting-edge technologies, while also offering outstanding service to our clients. To accomplish this, we get complete support of our sincere and honest professionals. Furthermore, we collaborate with our clients to fully understand their requirements and cater to them.
