## About Us

**Mayur Metal**, our business name is often regarded by loyal clients as a perfect synonym for Trust due to honest handling of work. Whether it is the quality or price of the provided range, we prefer to keep everything in open; especially in front of our buyers so as to enhance their level of trust in our business capabilities. A lot of years have passed since our business functioning and a more are yet to pass but we assure that each year will bring with it a new improved line of products with more advanced quality, design and look. Impressive product line that we currently offer includes **Colorful Kitchen Container Set, Stainless Steel Double Wall Tea Cup, Stainless Steel Bar Ice Bucket**, etc., which carries a special mark of quality.

We are a strong believer of providing 100% original value of products in-exchange of reasonable prices. Following international standards of quality, our product line is designed, developed and manufactured by a team that is well-acquainted with modern requirements of end-users. We make use of assured quality base materials to produce the range that is superior in finish and supreme in design. Knowing different needs of clients, we maintain our product line in a huge variety. Varied options to choose in terms of design, look, size and shape helps buyers to get their preferred type of Stainless Steel Thali Sets, SS Kitchen Containers, etc.

In this long-standing journey of business, we have never compromised on our strong core values. Transparency, loyalty, professionalism and perseverance are some of the many values, which better our work culture and helps us create a distinct identity as a manufacturer. We stay by our words of business commitments in order to come across as an ideal business choice in front of clients.

We are planning to continue our legacy of quality work by staying focused at serving right quality products to all customers. Size of orders do not influence our business behavior. Our policy of serving the best is applied for all clients irrespective of their company size or scale of order. To both medium and low scaled business units, we, Mayur Metal, promise to serve a flawless quality of product line that is closely checked. Our company boasts of having support of experienced quality controllers who leave zero space for errors in the execution of a stringent testing process.
