About Us

Trading conditions across the world have drastically shifted in recent times. We, Ishika Art, know how to help you stay relevant in the current market with our range of Exhibition Stall, Promotional Canopy, Clip On Board, Digital Printing Service, Korean Temple & Korean Work, Acrylic Sign Board, etc. Being in our field as a manufacturer, service provider and supplier since 2009, we bank on our unmatched in-house design facilities to guarantee fast-turnaround of all small and large sized promotion, printing and other projects. Though we are known for executing undertaken production and service projects as per schedule, we take our time to understand the business of clients before we initiate any work. Each product is meticulously crafted as per client need by our team of creative experts from the graphic design and production team

Ishika Art from Delhi, India, is the perfect place to reach when one is in need of Designer Acrylic Letter, Printed Promotional Canopy, Wall Mounted Clip On Board, etc., in sophisticated, high-tech looks. We are also chosen as a reliable provider of Digital Printing Services that are rendered by print experts who have been a part of our printing company since years. Based on our progressive approach, we know how to deliver solutions that are relevant with the changing times of the printing and advertising industry. We assure that one is also in great hands if on tight budget and want affordable products and services that are hard to match in terms of quality excellence.
