

# SPIRAL CONVEYORS

Solutions for a Stronger  
Tomorrow

Bucket Conveyor, Conveyor Taper Roller, Curve Modular Belt Conveyors, Curve Roller Conveyors using Taper Rollers, Industrial Chain Driven Live Roller Conveyors, Industrial Curve Roller Conveyor, Industrial Flat Belt Conveyors, Industrial Flexible Roller Conveyor, Industrial Gravity Roller Conveyors, Industrial Pallet Conveyor Lines, Industrial Spiral Conveyors, Modular Belt Conveyor, Modular Bucket Conveyor, Modular Slat Conveyor, Spiral Curve Modular Belt Conveyor, etc.

**INDUSTRIAL GRAVITY ROLLER  
CONVEYORS**

**INDUSTRIAL FLEXIBLE ROLLER  
CONVEYOR**

**SPROCKET POWERED ROLLER  
CONVEYOR**

## About Us

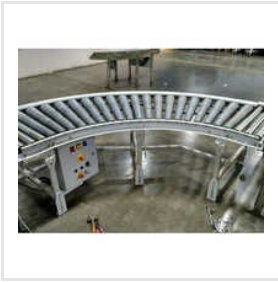

Excel Conveyors is one of the biggest manufacturers and suppliers in the industrial conveyor systems and conveyor rollers industry. Our product portfolio includes Pallet Conveyor Lines, Modular Slat And Belt Conveyors, Sprocket Driven Rollers, etc. The company is focused on innovation and quality, offering varied conveyor solutions to address the distinct requirements of different cement, food processing, and packaging industries. Our products are designed to make conveying operation smooth and fluid without any material pile-up, thus minimizing downtime and enhancing productivity. Continuing research and development investment in has kept us ahead of the curve in terms of the latest technological advances in material handling. This drive for excellence keeps us not only in delivering good products, but also providing solution spectrums leading to efficiency and reliability in a wide range of industrial applications.

Excel Conveyors is one of the Pune Maharashtra, India-based companies incorporated since 2016. The company has been able to position itself as one of the significant players in the market offering products like Gravity Roller Conveyors, Flexible Roller Conveyor, Taper Roller, Groove Driven Rollers, etc. The key focus lies on quality and innovation in the solutions that we offer to varied different industry sectors. With an emphasis on customer satisfaction and high operational excellence, we have developed a comprehensive range of products designed to increase efficiency while reducing material-handling processes.

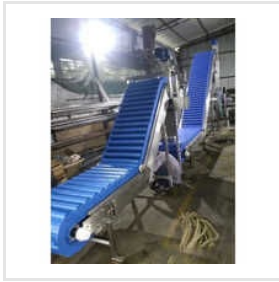

## Key Facts

<b>No of Staff</b>	20
<b>Year of Establishment</b>	2016
<b>OEM Service Provided</b>	No

## Our Products

**Industrial Curve Roller Conveyor**

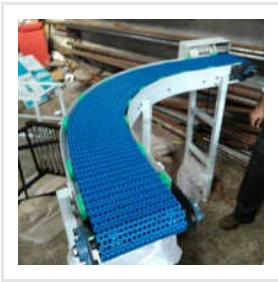

**Bucket Conveyor**

**Industrial Spiral Conveyors**

**Curve Roller Conveyors Using Taper Rollers**

**Curve Modular Belt Conveyors**

**Industrial Flat Belt Conveyors**

**Industrial Chain Driven Live Roller Conveyors**

**Modular Bucket Conveyor**

**Stainless Steel Curve Conveyor Rollers**

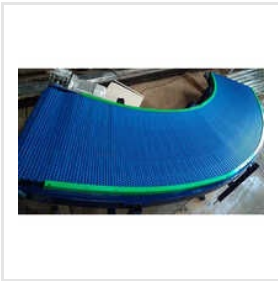

**Modular Slat Conveyor**

**Spiral Curve Modular Belt Conveyor**

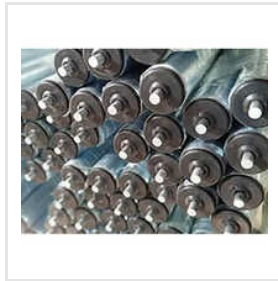

**Industrial Pallet Conveyor Lines**

**Modular Belt Conveyor**

**Type 200 Fixed Drive Sprocket Welded**

**Type 130 Gravity Conveyor Roller**

**Type 120 Gravity Conveyor Roller**
