About Us

Our head, Mr. Ajay Harchandanis, knowledge, inspiring leadership, and keen business sense have allowed our company, Anil Packaging, to expand rapidly. His leadership enables our team to overcome all challenges and provide customer with worthy items. Today, customers trust our manufacturer and supplier company to make purchase of Plastic Crates, Weed Mat, Mulching Film Maker Machine, Plastic Agro Shade Net, etc. We use cutting-edge machinery to produce the aforementioned product line, which lowers the cost per unit and enables us to produce each item to the highest standards. We appreciate the suppliers who give us high-quality raw materials at prices that are competitive and help us create a line of perfect items that are praise worthy.

As a result of our diligence and commitment to quality, we have established ourselves as a leading organization. Further, our success depends heavily on our in-house task-force. All of our team members collaborate effectively and sincerely in order to achieve the objectives set by the business. To continue to be the market leader, we work to enhance our products, implement innovative ideas, and take eco-friendly measures. Choosing us has always proven to be the right choice for customers, and we promise that in the future too, buyers will not regret buying from us.

Anil Packaging began operations in the year 2007 with the goal of becoming the favorite of customers. We have successfully established ourselves as a reputed supplier of W Cut Non Woven Bag, LDPE Packaging Bag, LDPE Mulching Sheet, White Nursery Bags and a lot more packaging goods. The mentioned products are produced in our Kolhapur, Maharashtra, India based unit that is unified with the best production facilities. We have consistently outperformed customers expectations and provided them with value for money, which has helped us achieve dazzling success. Our business always pays attention to received feedback so that the essential actions can be immediately taken as a result of the same.
