About Us

India Shine Technologies is the most trusted manufacturer and supplier of vending and disposable machines in India. We have created a niche for ourselves in the market and aim to take our country to new heights through our technologically advanced products like Industrial Sanitary Napkin Disposal Machine, Sanitary Napkin Disposal Machine, Automatic Sanitary Napkin Disposal Machine, Feedback Machine, Mechanical Coin Acceptor, Solid Waste Incinerator, and more. Our products are not only limited to foods and drinks, but can also be used for other applications as well. We provide our products to some of the most reputed clients in the country.

Made from robustly constructed and high quality raw materials, these products are durable, efficient, and have a tough, corrosion resistant surface. Easy to install, maintain, and run, they can be easily placed in any area, and cater to the needs of many people all across the country. What makes our products more alluring is that we provide them to our clients at competitive market prices.
