Lysine / Methionine	Optimized for bone growth
Vitamins A, D3, E, B12	Fortified standard

Growth Benefit: High protein crumb formulation ensures robust skeletal development, high immune resistance, and rapid early weight gain for healthy chicks.

Feeding Recommendations & Storage

Feeding Directions

- Feed exclusively as the sole ration from day 1 through 8 weeks of age.
- Ensure constant access to clean, fresh drinking water at all times.
- Transition gradually to grower feed after week 8.

Storage Guidelines

Store in a cool, dry place away from direct sunlight, humidity, and pests. Keep bags elevated off concrete floors.
