## About Us

Unistar Metals Pvt. Ltd., an engineering company with ISO 9001:2015 accreditation, was established in 2009, and Kolkata, a city well-known for its commerce, serves as its headquarters. With three Manufacturing & Galvanizing establishments scattered around the industrial areas of Howrah. With a combined workforce of more than 600, all of UNISTAR's units are well-equipped with state-of-the-art facilities that occupy more than 6,30,000 square feet of land, more than 180,000 of which is covered shed space with an EOT crane.

There are enough highly qualified and knowledgeable supervisors at the company to finish customized projects to the entire satisfaction of customers. The company can produce up to 60000 MT annually. UNISTAR offers a wide range of goods to satisfy the demands of its clients, such as solar trackers and platforms, railway electrification equipment, overhead electrification, and transmission sub-station buildings.

## Key Facts

<b>No of Staff</b>	100
<b>Year of Establishment</b>	2009
<b>OEM Service Provided</b>	No

## Our Products

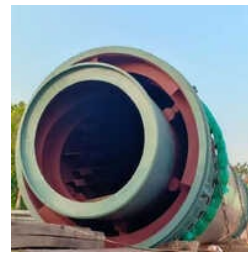

**Commercial Water Tank Solar Structure**

**Industrial Structure Conveyor**

**Chute For Bharat Cooking Coal**

**Dryer For Bhushan Steel**

**Dryer For Jindal Steel**

**Furnace Kiln Beam**

**Fabricated Dust Collector Hopper**

**Fabricated Steel Beam**

**Fabricated Structure Steel**

**Fabricated Emitting Suspension Frames**

**Fabricated Top Beam**

**Industrial Fabricated Tanks And Kettles**

**Fabricated Shell And Heat Exchanger Frame**

**OHE Rolled Steel Mast**

**Sub Station Structure**

**Precision Flanges**
