## About Us

Mohta Cement Pvt. Ltd. is proud to introduce itself as a prominent manufacturer and supplier of Solid Wall Panel, Pre Cast Compound Boundary Wall, Lightweight Block, Fly Ash Concrete Brick, Gypsum Plaster, Cement, Fly Ash etc. These are made from finest quality construction material in accordance with the industry laid norms. We are extensively appreciated by customers owing to their ability to withstand diverse weather conditions, high compressive strength, lightweight and dimensional accuracy. Over the past 30 years of formation, we have made several impressive growth & success records in the market due to our commendable product-line, sound facilities and hard efforts of professionals. The personnel working with us keep themselves abreast of construction & building industry dynamics and latest technology owing to which we are producing remarkable products. These experts get complete support of our maintained sound facilities so as to accomplish even the challenging targets with perfection.

We are attaining tremendous growth, under the tutelage of director, Mr. Saurabh Mohta and Mr. Gaurav Mohta, who holds detailed knowledge & experience of the domain. His charismatic leadership qualities, fascinating trade decisions and vibrant managerial skills have enabled us to stand ahead of our challenging counterparts.
