About Us

Gagandeep Steels has built a solid reputation over the last 43 years as a trustworthy supplier and trader of a range of Hexa Bolts, Cast Iron Automobile Scraps, Used Axles Shafts Scrap, Steel Scraps, etc. Our company is also active as the service provider for Scrap Buyers Services and Industrial Consignment Buyers Services, etc. Since iron scraps are non-abrasive and non-rusting, these cast iron items can be further recycled and made. To meet the market's rising demand, we offer these scraps in accordance with client specifications at prices that are among the lowest in the industry. We are committed to providing our customers with the products and services they meet their expectations. If required, we customize our offering and deliver them value for money. The foundation of what distinguishes our company from others is the way we conduct business, paying close attention to every detail to ensure customer satisfaction.

Any customer who has made a purchase from Gagandeep Steels is impressed; we are synonymous with quality. Our company, which is situated in Mandi Gobindgarh, Punjab, India, is able to satisfy customers requests for Mild Steel Plate, Mild Steel Railing Pipes, Barbed Wire, Binding Wire and a lot more products. Strong testing facilities support and a knowledgeable workforce are enabling us to address customer needs in a remarkable way. We have been working in accordance with global standards and customers expectations to meet market needs. Our business has been able to grow at a tremendous needs because of the support of our partners.
