

Surface Girnder and
MA Sereis Machining Center

Perfection is well-represented
in the quality of our products

Altra ZNC ORB, CNC Press Brake, CNC Turning Machine, Ear Loop Welding Machine, Face Mask Blanking Machine, Maple Double Column Machining Center, Maple M-ONE Series Vertical Machining Center, Maple MA-series Vertical Machining Center, Maple ME Series VMC Machine, Surface Grinder, Turret Punch Tooling, etc.

CNC TURNING MACHINE

CNC PRESS BRAKE

TURRET PUNCH TOOLING

About Us

The latest advances in technology has made many new companies foray into the market with various modern products. Being one such company, we, SMT Innovative have most recently started our operations in the year 2019. Working as a supplier and trader, we have been providing one of the most advanced range of machines which includes EB2210N-2H CNC Wire Cut EDM Machine, Wi-200s Submerge Type Wire EDM Machine, Wi-430s Automatic Submerge Type Wire EDM Machine, Maple CNC Wire Cutting Machine, etc. All of the products are procured from the best manufacturers in the industry and precisely tested at our facility before delivering to the clients. Moreover, we also work as a service provider and give after sales and without sales AMC Services & Machine Installation Services.

In recent times, it is challenging for a newly found company to establish itself in the crowded market. At SMT Innovative, we have taken such challenges as new opportunities to grow our business. Running our operations from the city of Pune, Maharashtra, India, we have also progressed along with the city by introducing an advanced set of machinery which includes EB2210N-2H CNC Wire Cut EDM Machine, Maple ME Series VMC Machine, Wi-430s Automatic Submerge Type Wire EDM Machine, EB1060N CNC EDM Machine, Maple VMC Machine, etc. Attributes like high strength, optimum performance, low power consumption and genuine pricing, makes our machines stay in demand in the market and we aim to further increase their reach.

Key Facts

Nature of Business	Dealer
Primary Competitive Advantages	Face Mask Making Machine,cnc vertical machining center,cnc shearing machine,cnc turret punch press,Iron Worker,busbar bending machine,Fiber Optic Laser ,retrofitting services,Reconditioning of CNC Machine,CNC Machine Spare Parts
No of Staff	4
Year of Establishment	2019
OEM Service Provided	No
ProductRange	Face Mask Making Machine,cnc vertical machining center,cnc shearing machine,cnc turret punch press,Iron Worker,busbar bending machine,Fiber Optic Laser ,retrofitting services,Reconditioning of CNC Machine,CNC Machine Spare Parts

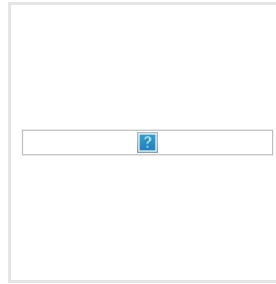

Our Products

CNC Turning Machine

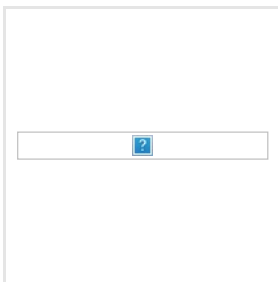

Surface Grinder

Face Mask Blanking Machine

CNC Press Brake

Ear Loop Welding Machine

Altra ZNC ORB

Turret Punch Tooling

Maple M-ONE Series Vertical Machining

Maple Double Column Machining Center

Maple MA-Series Vertical Machining

Surface Grinder

Maple ME Series VMC Machine

ADDRESS

**16 Shilpa Park, 566/12 Bibwewadi
Market Yard Near Vastunager
Society Pune, Maharashtra,
India (411037).**
