About Us

India Techno Solution is a sole proprietorship firm located in Ludhiana, Punjab, India since 2012. The products are manufactured and sold by us as the manufacturers and supplier of high-grade Sheet Cutting Machine, Engraving Machine, Laser Lens, CNC Router Machine, Laser Marking Machine, etc. products. The clients welcome the products because they are easy to use, powerful in performance, tough built, light in weight, and have a longer lifespan. These products are offered for a limited period at highly competitive prices. And our team under the mentorship of our mentor, Mr. Vicky Singh, whose vast knowledge and experience have allowed us to expand across the country and carve out a remarkable niche in the market.

Our Ludhiana, Punjab, India based company, India Techno Solution, specializes in innovative machinery manufacturing, where the products cater to the various needs of different kinds of industries. Our range of machines starts with the focus on innovation and quality that ranges from CNC Router Machine, Sheet Cutting Machine, to Single Phase Laser Cutting Machine and more. Based on changing processes of manufacturing, it was equipped with the best available equipment using technological advancements. We look toward to make better solutions that take our customers to a whole new level in success.
