About Us

With a presence in more than five countries, we, Nova Formworks Private Limited, have become a leading company in the field of Construction Formwork and Construction Consulting Services. Our company is counted among the top manufacturers in India, offering Plastic Formwork System. It was founded by the well experienced technocrat, Vikas Kumar Mittal. He launched the brand Nova Formworks. Our most popular products are Plastic Box Culvert, Concrete Column Formwork, Steel Frame Formwork, Doka Shuttering, and Drain Formwork. We are also famous for rendering Civil Construction, Road Construction, Residential Formwork, Liftwall formwork, and many other related services.

In addition to being a popular name in the Indian markets, we are famous for fulfilling the requirements of customers in Africa, Jordan, Dubai, Doha, Sri Lanka, and the UK. The formworks we offer are widely used in the construction of concrete columns, slabs, plinths, walls, pile caps, box culverts, foundations, drains, and other types of concrete structures.
