About Us

Sulohak Cast is a reliable destination for those who are looking forward to availing quality casting solutions. After acquiring rich knowledge of the market, our company was formed by Mr. Manish Makwana and the operations were started. From past 7 years, we have been sincerely meeting market requirements for Lost Wax Investment Casting, MS Casting, Automobile Part Casting, Zinc Die Casting, Forged Ring, CNC Machined Components and many other products.

With utmost precision, our casting products are developed to help several industries in their production works. Each piece of our range is made after analyzing the requirement of the industry, making specific design and following a planned process.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	aluminium forging,hardwares investment casting,synchronizer rings,forged automotive parts,die cast automotive parts,automotive casting,castings,alloy steel forging,steel forgings,aluminum forging
No of Staff	15
Year of Establishment	2015
OEM Service Provided	No
Memberships	TUV NORD
ProductRange	aluminium forging,hardwares investment casting,synchronizer rings,forged automotive parts,die cast automotive parts,automotive casting,castings,alloy steel forging,steel forgings,aluminum forging

Our Products

**Precision Components
Job Work**

Closed Die Forgings

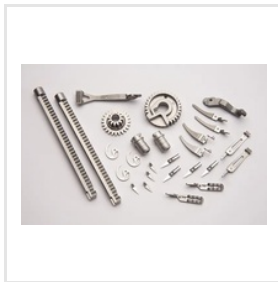

**Aluminium Investment
Castings**

**Stainless Steel
Investment Casting**

**SS316 Investment
Casting**

**SS304 Investment
Casting**

**CNC Precision
Components Job Work**

Forging Parts

**Forged Automotive
Components**

Forged Ring

**Lost Wax Investment
Casting**

**Automotive Metal
Component Forgings**

**Automotive Part
Forgings**

Sand Casting

**Vmc Milling Machining
Service**

Investment Casting

ADDRESS

**Maruti Industrial Area, Gondal
Road, Charbhujia Marble Street,
Rajkot, Gujarat, India (360004).**
