

Reliability & Efficiency without Compromise  
Reciprocating & Rotary Screw Air Compressors

Premium compressor design  
and industry leading warranty

11kW Rotary Screw Compressor, 132kW Rotary Screw Compressor, 250kW Rotary Screw Compressor, 30kW Rotary Screw Compressor, 45kW Rotary Screw Compressor, Air Cooled Non Cycling Dryer, Compair Atvt Dessicant Air Dryer, Cycling Dryer, D-37 75kW Oil Free Compressor, DH-15 37kW Oil Free Compressor, DX-200 355kW Oil Free Compressor, DX-90 160kW Oil Free Compressor, Heatless Adsorption Dryer, Heatless Compressed Air Dryer, Hyperchill Precision Chilled Water, etc.

**ULTIMA OIL FREE COMPRESSOR**

**250KW ROTARY SCREW  
COMPRESSOR**

**11KW ROTARY SCREW  
COMPRESSOR**

## About Us

Stirling Cryogenics India Pvt. Ltd. is a reliable Manufacturer and Trader of high-performance industrial equipment that addresses the changing requirements of various industries. Committed to quality, reliability, and innovation, we provide products such as Air Compressors, Heatless Compressed Air Dryers, Sub Zero Refrigeration Dryers, Cryocooler Systems, Water Chillers, and more. Our products are designed using the latest technology in order to provide the best performance, energy efficiency, and longevity. Blending technical knowledge with industry insight has helped us establish a strong reputation for delivering equipment that not only meets but also surpasses clients' expectations.

At Stirling Cryogenics India, we ensure value creation through precision engineering, rigorous quality control, and prompt customer services. Our products are targeted at multiple industries such as manufacturing, medical, research, pharmaceutical, and other mission-critical applications where dependable cooling and compressed air solutions are critical. With a passion to become the leading industrial and cryogenic technology player, we keep on growing our product portfolio with a strong focus on sustainability, innovation, and customer satisfaction.

**Key Facts**

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	psa nitrogen gas generator,air compressor,oil free air compressor,screw air compressor,
<b>No of Staff</b>	30
<b>Year of Establishment</b>	1955
<b>OEM Service Provided</b>	No
<b>Monthly Production Capacity</b>	as per the customer requirement
<b>ProductRange</b>	psa nitrogen gas generator,air compressor,oil free air compressor,screw air compressor,

## Our Products

**Cycling Dryer**

**Modular Adsorption Dryer**

**Air Cooled Non Cycling Dryer**

**DX-90 160kW Oil Free Compressor**

**Heatless Compressed Air Dryer**

**D-37 75kW Oil Free Compressor**

**132kW Rotary Screw Compressor**

**DX-200 355kW Oil Free Compressor**

**Three Stage Reciprocating**

**Compair Atvt Dessicant Air Dryer**

**30kW Rotary Screw Compressor**

**45kW Rotary Screw Compressor**

**DH-15 37kW Oil Free Compressor**

**PTC330 Cryocooler**

**Heatless Adsorption Dryer**

**Sub Zero Refrigeration Dryer**
