About Us

We, AV Exports are rising and thriving in the Indian markets through our visionary approach towards work. Our company is continuously proving itself as one of the most convenient and quality-driven sources of various associated products all across the nation. By working as a manufacturer, we are aiming to uplift the availability of quality Coco based products in the marketplace. The offered range by us encompasses Natural Coco Peat Blocks, Coco Chips Blocks, Coco Pots, Coco Conicals with Hangers and more items. By serving these items that are processed using natural raw material, we contribute responsibly towards the betterment of the environment.

The items served by us are highly acknowledged and appreciated for fine quality attributes. Our products are designed and fabricated as per the national standards. We follow the guidelines, rules and regulations that allow us to maintain necessary quality control from procurement of raw material to packaging & storage. Also, our entire workplace is cleaned & sanitized regularly for keeping the items in a hygienic and qualitative state. With time, we have developed a large network of clients trusts us for our business management techniques and quality of products. Besides this, the factors that make most customers to choose us are our timely completion of orders, competitive price range and distribution of only quality confirmed items.
