About Us

Numeric Inkjet Technologies Private Limited is acknowledged as a leading manufacturer, trader, and supplier of industrial printing machines and equipment across multiple industries. As a leading seller of inkjet printers, we are very focused on innovation, durability, and efficiency. As a result, we provide inkjet printers that are specifically designed to meet todays production line requirements. Among our most sold and popular products are the S100 Series Industrial Inkjet Printer, the S100 Plus Continuous Inkjet Printer, and the NU2529 Automatic Inkjet Printer, all of which are appreciated by customers for their reliable performance, inexpensive maintenance, and usability. They are perfect for printing bar codes, batch numbers, expiry dates, logos, QR codes, and more on any packaging material.

We provide smart, scalable, and economical inkjet printers that combine our experience gained through technical expertise and real-time production experience, whether you are a small-scale manufacturer or a large industrial manufacturing unit.
