

Energy Conservation Products

Your Partner In All Right Choices

300 KLD Sewage Treatment Plant, Active Carbon And Multi Grade Filter, Commercial Effluent Treatment Tank, Commercial Sewage Treatment Plant, Electricity Conservation Products, Industrial Drinking Water RO Plant, Industrial Effluent Treatment Plant, Industrial Organic Waste Composter, Industrial Wastewater Management System, Industrial Water Softener Plant, etc.

**COMMERCIAL SEWAGE TREATMENT
PLANT**

WATER TREATED STORAGE TANK

MBBR SEWAGE TREATMENT PLANT

About Us

In the market for engineering water treatment plants, we, Green Aqua Technologies, have a reputed position. We are trusted for the excellence we have as a manufacturer of Sewage Treatment Plant (STP), Water Treatment Plant (WTP), Effluent Treatment Plant (ETP), Water Softener Plant, Zero Liquid Discharge Plant, and many others.

In 2019, our engineering company was formed by a group of professionals from Electronics and Instrumentation, Environmental, Bio technology and Finance fields with multi-years of experience in environmental as well as instrumentation and automation solutions.

Key Facts

No of Staff	45
Year of Establishment	2019
OEM Service Provided	No

Our Products

Industrial Water Softener Plant

Rain Water Harvesting Conservation System

Industrial Zero Liquid Discharge Plant

MGF And ACF Filter Plant

MBBR Sewage Treatment Plant

Commercial Effluent Treatment Tank

Zero Liquid Discharge System

Industrial Wastewater Management System

Industrial Drinking Water RO Plant

Industrial Organic Waste Composter

Active Carbon And Multi Grade Filter

Industrial Effluent Treatment Plant

Sewage Water Treatment Plant

300 KLD Sewage Treatment Plant

MBBR Settler Tank

Industrial Water Treatment Plant
