# About Us

**Sai Systems** is a 2016 established enterprise and has expertise in providing highly efficient, cost effective and safe Ozone Generator, Descaler Conditioner and allied products to clients. With constant focus on product development and innovation, we have become a **manufacturer and exporter** of choice in such a huge competitive marketplace.

We are trusted by many buyers for our ability to design and develop bespoke **Ozone Generators, Oxygen Concentrators, Ozone Mixing Tube, Electronic Water Conditioners, Ethanol Dryers** and many more products.

FOUNDER

Mr. Nrupeshkumar K Patel

## Our Top Clients

# Our Products

## 1. Ozone Generators

Industrial Ozone Generators

Air Ozone Purifiers

## Sectors of Usage

Mineral Water Industries

Swimming Pools

ETP

Food Industry

STP / WTP

Laundry Service

Aqua Culture / RAS

Agriculture

Medical

Poultry Farms

## Ozone Generators we make

Ozone production	10 & 20 g/hr
Power supply	220 V/50 Hz
Applicable places	Domestic use, Medical Cars, Sanitization, etc.

Ozone production	10 g/hr
Power supply	220 V/50 Hz
Applicable places	Induatrail product, Water & Air Treatment

Ozone production	15 g/hr
Power supply	220 V/50 Hz
Applicable places	ETP, STP, WTP, other industries

The range of ozone generators goes on in multiples of 30.  
For example- 60 g/h, 120 g/h and so on.  
For further details contact SAI SYSTEMS.

# Our Products

## 2. Oxygen Generators

Industrial Oxygen Generators

## Sectors of Usage

Mineral Water Industries

ETP

STP / WTP

Aqua Culture / RAS

Medical

Swimming Pools

## Oxygen Generators / Concentrators

Oxygen production	5 & 10 lpm
Power supply	220 V/50 Hz
Applicable places	Domestic use, Medical uses, etc.

Oxygen production	60 lpm & above
Power supply	220 V/50 Hz
Applicable places	Industrial product, Mineral water plants

Oxygen production	60 lpm & above
Power supply	220 V/50 Hz
Applicable places	ETP, STP, WTP, other industries

# Our Products

## 3. Electronic Water Conditioner / Softener

Water Softener

## Sectors of Usage

Residencial

Agriculture

Commercial

Model Name

Scale Fighter

Hardness range

As per need

Applicable places

House, Apartment  
Agriculture.

# Our Products

## 4. Static Mixer

Static Mixer

## Sectors of Usage

Mineral Water Industries

Swimming Pools

ETP

Chemical Industry

STP / WTP

Aqua Culture / RAS

# Our Products

## 5. Other Accessories

Product Name	Ethanol Dryer
Power supply	As per capacity
Applicable places	Induatrail product, Ethanol removal

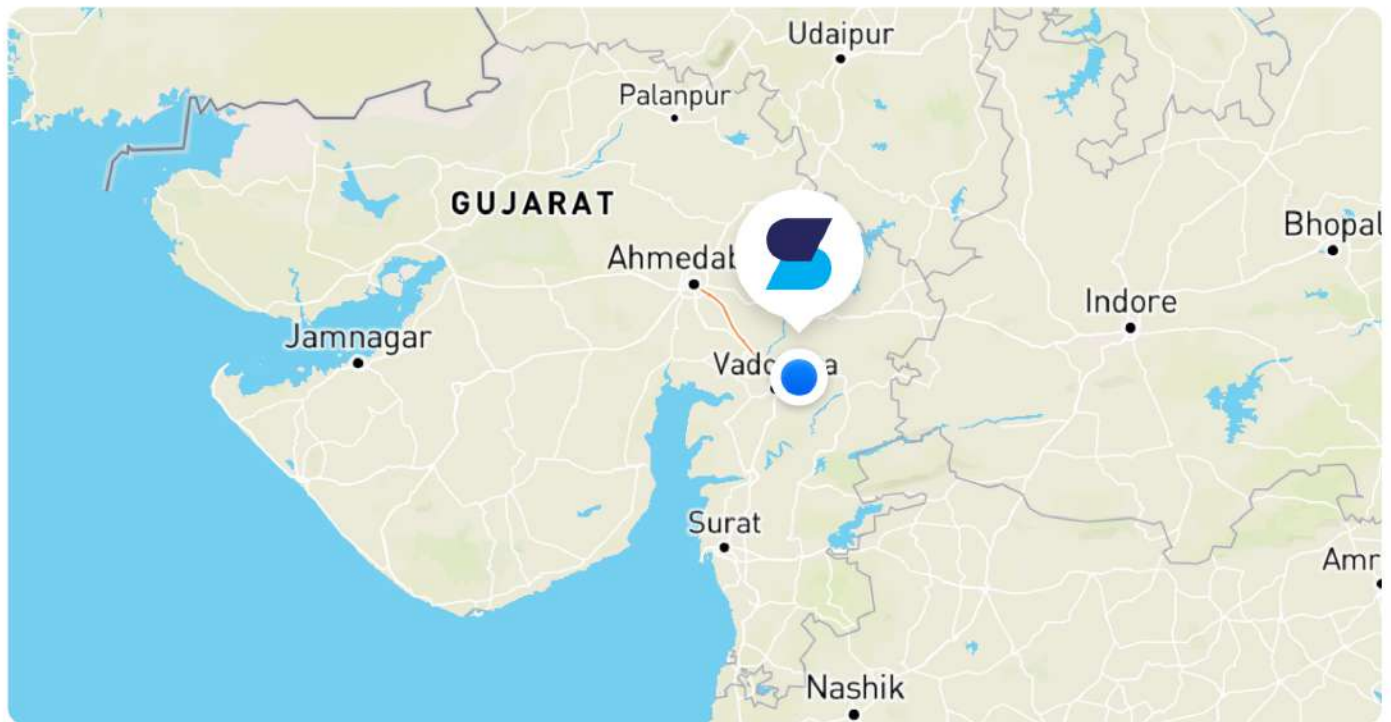

Product Name	NRV
Applicable places	Induatrail product, Along with Ozone gen.

Product Name	Ozone Mixing Tank (Cone)
Applicable places	ETP, STP, Aqua Culture, Mineral Water plant, Laundry, Swimming pool
