About Us

Supreme Geotech Private Limited is a pioneer manufacturing company which has specialization in producing technical textile in Eastern India. Supported with fully-automated advance machines, we are capable in delivering supreme quality products and solutions to the customers. Right from the foundation, we are working with the clear vision to become front runners in global technical textile sector. Currently, we are manufacturing a quality assured range of Non-Woven Carpets, Geo Textiles, Industrial Felts, Automotive Felts, Domestic Use Felts & Customized Needle Punched Products.

All these products are manufactured in our in-house production plant located 60 kms from Kolkata and well connected with roads, railway and sea. Being a leading manufacturer, we are a customer centric company which believe that satisfied customers paves the path for our growth in a more better and exponential manner.
