CRAB FOR EOT CRANE

We manufacture various ranges of Crabs. These are designed as per industry standards and are offered in various specifications to meet the varied application demands.

We offer these hoists at market leading prices within the stipulated time period.

Industrial Crabs can be supplied as standard units or can be custom made. They offer maximum advantages when working in open. These Hoist Crabs can have single or twin hoist units as required. The driving arrangement can either be with hand-gear or motor driven type. Micro speed arrangement in hoisting can be provided if required.

TECHNICAL SPECIFICATION OF M.E. CRAB HOIST

Power Source	Electric
Usage / Application	Industrial
Capacity	UP TO 100 TON
Trolley Option	With Trolley, Without Trolley
Wire length (Mtrs.)	6-100 Mtr
Material	Mild Steel

FLAME PROOF ELECTRICAL WIRE ROPE HOIST

Available with electrical components housed in flame proof enclosures conforming to IS-2148, and mechanical components designed with spark proofing features.

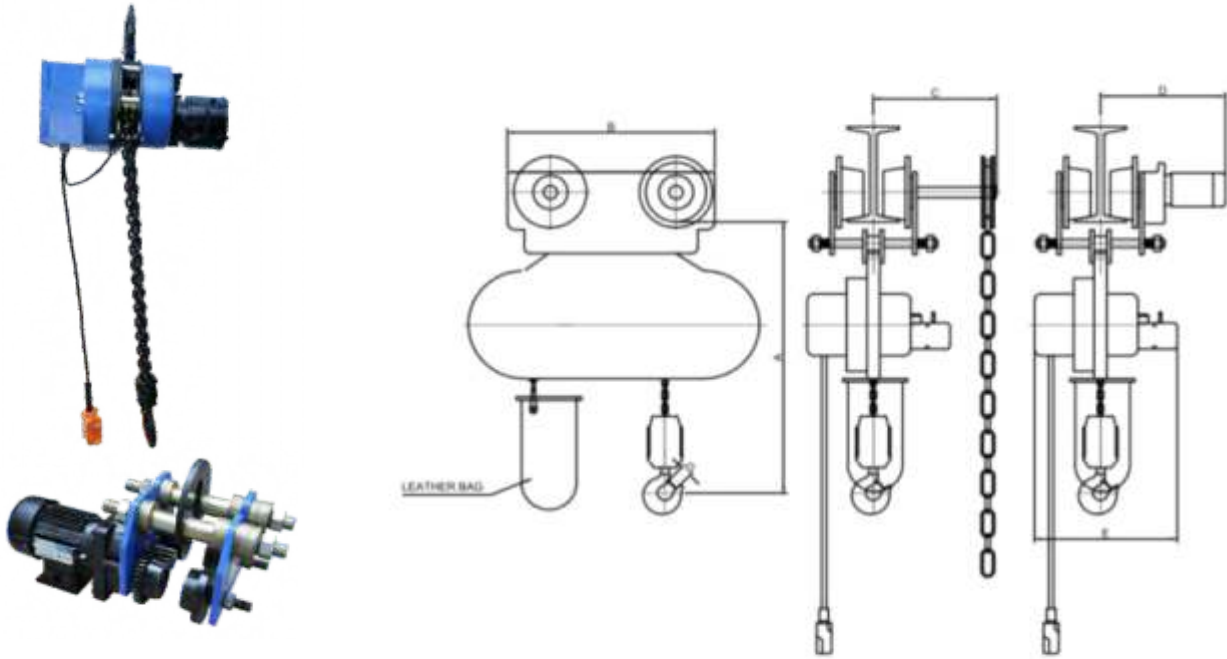

- Capacity** : 1000 Kgs to 15000 Kgs.
- Lift** : 6 mtrs. to 60 mtrs.
- Hoisting Speeds** : 3-10 mpm.
- CT Speed** : 10-20 mpm
- Travel** : Straight Path
Curved Path
- Type** : Power Travel
Hand Travel
Fix Suspension

Suitable For:

- Zone 1, Gas Group IIA, IIB
- Zone 2, Gas Group IIA, IIB, IIC

ELECTRICAL CHAIN HOIST

We are quality oriented manufacturer & exporter of the best range of Chain Hoists. These are widely used with various types of cranes, I-beam etc., in warehouse, mining and other industries. Our offered Chain Hoist are admired a lot in the industry for their stable performance, safe usage, long service life and flexible operations. Moreover, Our entire range is fabricated in accordance need of the industrial clients.
