About Us

Swastik Enterprises is a trusted Trader and Supplier of high-quality electrical, testing, and measurement equipment. Established in 2012 and located in Pune, Maharashtra, India, we are committed to providing reliable products that meet the diverse requirements of industrial, commercial, research, and technical applications. With a strong emphasis on quality, professionalism, and customer satisfaction, we strive to deliver solutions that help our customers achieve operational efficiency and dependable performance.

We offer a comprehensive range of products designed to support various electrical and electronic applications. Our product portfolio includes Clamp Meter, Current Transformer, DC Power Supply, Digital Anemometer and Digital Function Generator. These products are sourced from reliable manufacturers and selected to meet industry standards for accuracy, durability, and performance. We aim to provide dependable equipment that contributes to effective testing, monitoring, and operational excellence.

Customer satisfaction is the driving force behind our success. We focus on understanding the unique needs of every client and delivering solutions that align with their specific requirements. Our team is dedicated to providing responsive support, transparent communication, and efficient service to ensure a smooth and hassle-free purchasing experience. We believe that strong customer relationships are built through trust, reliability, and consistent service quality. Our goal is to become a preferred sourcing partner for electrical and measurement equipment by consistently delivering quality products and professional services. Through ethical business practices, timely execution, and a commitment to continuous improvement, we aim to build lasting relationships with our customers and business associates.

Key Facts

Nature of Business	Distributor
Primary Competitive Advantages	portable ir thermometer,smmps,variable dc power supply,oscilloscope,earth tester,insulation tester,clamp meter,multimeter,rishabh,fluke measuring instruments
No of Staff	10
Year of Establishment	2012
OEM Service Provided	No
ProductRange	portable ir thermometer,smmps,variable dc power supply,oscilloscope,earth tester,insulation tester,clamp meter,multimeter,rishabh,fluke measuring instruments

Our Products

Fluke 301B Cmap Meter

RISHABH 616 Digital Multimeter

Fluke 374 Digital Clamp Meter

RISHABH 6015BT Digital Multimeter

Fluke 302 Plus Digital Clamp Meter

Fluke 317 Clamp Meter

RISHABH 6013FT Digital Multimeter

1000A DC Digital Clamp Meter

Fluke 303 Digital Clamp Meter

Kyoritsu 2003A DC TRMS Digital Clamp

Kyoritsu 2117R Digital Clamp Meter

Fluke 368FC AC DC Clamp Meter

KM 2781 Digital Clamp Meter

Fluke T6 1000 Pro Electrical Tester

Fluke 362 Clamp Meter

Kusam Meco 2790 Digital Clamp Meter
