## **Description**

Flagkart is the one-stop destination for flags of all sizes and shapes. Starting from table flags and sports flags to giant flags and country flags, we do it all. When it comes to flags, we present our clients with a wide array of sustainable options in the best possible price range. We have over decades of experience in this field and we have worked with some reputed industry leaders such as:

- ficci
- Taj Hotel
- Indira Gandhi National Open University

## **Concept**

The goal is to make green the new clean. All our flags are made from recyclable/ bio-degradable fabrics and acrylic paints. The PVC-free textile print fabrics make our flags a top-notch alternative for corporate gifting, national souvenirs, and formal desk decoratives. There are also advertising and custom corporate flags, so marketing and advertising companies can also collaborate for their sales campaigns.
