About Us

DHRUVIDHI LIFECARE SOLUTIONS INDIA LLP WAS FOUNDED ON A SIMPLE IDEA : to change the way healthcare professionals across the world purchase their medical equipment. Our parent company PTICOUA located in the USA.

DHRUVIDHI LIFECARE is a division of one source medical. and we specialized in selling and distributing medical equipments and disposable products supplies to hospitals, surgical centers, clinics, research labs, and medical facilities across the Globe, Employees of many medical equipment suppliers often lack the training and knowledge required to adequately address customers' needs and answer all of their questions. The result is often a slow, cumbersome, and frustrating process for busy physicians and other healthcare professionals seeking to purchase quality medical equipment.

DHRUVIDHI LIFECARE is different. Our knowledgeable sales and service representatives are fully trained to answer all of your questions about the products in our extensive catalog. Our priority is ensuring you feel confident about every purchase. We're committed to providing you with a worry-free, pleasant experience.
