About Us

Kirti Enterprises offers a reliable electronic component trading and distribution business in which the products involved are Precision Potentiometers, LCD Displays, Linear Voltage Regulators, Power Relays, Power Transistors, and several others. We have maintained our position as market leaders in reliability, durability, and high-performance electronic solution delivery to suit the varied applications of our diversified client base: electronics manufacturing industries, automotive electronics, telecommunication electronics, industrial automation, etc. We are a reliable trader and supplier of the above-mentioned products.

Kirti Enterprises trades and supplies items like IC Chip, LCD Display, Linear Voltage Regulator, Power Relays, Power Transistor, and more. Our company was founded in 2009, in New Delhi, India. Our company is committed to providing our customers with the widest range of high-quality products from the top manufacturers across the world. Understanding the requirements for precision and dependability in electronics, we strictly test all the products coming under our umbrella and ensure they do not leave us without proper scrutiny. Partnering with the top manufacturers allows us to provide international-quality components, so they will not only last a long time but also work in an efficient manner.

20x4 Line LCD Display

L7812CV Regulator

L7824CV Regulator

L7915CV Regulator

Electrical Relays

TTC5200 Power Transistor

LM317T Transistor

TIP122 Transistor

2 W Precision Potentiometers

PIC16F887 IC Chip

UTC RDB1 LM324L IC Chip Set

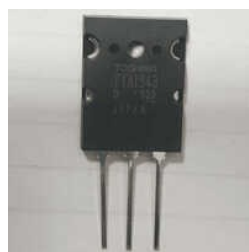

L7809CV Regulator

L7808CV-DG ST Microelectronic Linear

L7805CV Linear Voltage Regulators

TTA1943 Power Transistor

AT6-4.5 Sealed Rechargeable Battery
