

HEAT SHRINKABLE TUBING

Customer's Faith Well-Kept For Lifetime

Acrylic Fiberglass Insulation Sleeving, Acrylic Fiberglass Sleeving, Acrylic Polyester Tube, Bus Bar Insulating Tube, Chemical Resistant PVDF Tubing, Dual Wall Heat Shrinkable Tube, Electrical Heat Shrinkable Tubes, Expandable Sleeving, Fiberglass Insulation Sleeving, Fiberglass Sleeving, Flame Retardant Heat Shrinkable Tube, HTG Fiberglass Sleeving, Heat Shrinkable Anti Tracking Insulation Tube, Heat Shrinkable Markers, Heat Shrinkable Sleeving, etc.

HEAT SHRINKABLE ANTI TRACKING INSULATION TUBE

PURE SILICONE RUBBER TUBE

MYLAR HEAT SHRINKABLE TUBE

About Us

High accuracy, excellent performance and robust constructions are some of the prominent features of our array of Heat Shrinkable Tubes. Established in the year 1999, we, Tradevision Engineering & Marketing are entitled as a Manufacturer, and Supplier of wide range of Heat Shrinkable Tubes such as Bus Bar Insulating Tubes, Anti Tracking Insulation Tubes, Mylar Tubes, Pure Silicon Rubber Tubes, Dual Wall Heat Shrinkable Tubes, Flame Retardant Heat Shrinkable Tubes, Heat Shrinkable Markers, HTG Fiberglass Sleeving, and others. Our products are manufactured with irradiated and thermally stabilized flame retarded polyolefin, which are cross-linked by radiation. Our products are non-polar and has low-energy surface which is not receptive to inks; further, these are nonporous, which helps in providing functional efficiency and durability to the shrinkable pipes and tubes.

Our aim is to meet the prospects of our clients, and to deliver products as per clients' specifications. We work on the virtues of developing greater marketing possibilities and adherence to improve and sustain the quality standards. Also, we ensure reliability through technological up-gradation. Our team of professionals is instrumental in manufacturing cables and other products that ensure durability and dependable performance under intense electrical stress as well as exposure to severe weather conditions.

Key Facts

Nature of Business	Importer
Primary Competitive Advantages	expandable sleeve, fiberglass sleeving, heat shrink sleeves,
No of Staff	3
Year of Establishment	1999
OEM Service Provided	No
ProductRange	expandable sleeve, fiberglass sleeving, heat shrink sleeves,

Our Products

Acrylic Polyester Tube

Heat Shrinkable Markers

Chemical Resistant PVDF Tubing

Acrylic Fiberglass Slewing

Rigid Polyvinylidene

Electrical Heat Shrinkable Tubes

Thin Wall Flexible PVDF Tubing

Mylar Tubes

PTFE Heat Shrink

Fiberglass Insulation Slewing

Acrylic Fiberglass Insulation Slewing

Dual Wall Heat Shrinkable Tube

Bus Bar Insulating Tube

Fiberglass Slewing Tube

HTG Fiberglass Slewing

Flame Retardant Heat Shrinkable Tube

ADDRESS

Flat No :-4, Kwaliti Terrace, Se
No 47/30/C, Opposite Suparna
Hall, Near Aranyeshwar Corner
Pune Pune, Maharashtra, India
(411009).
