## About Us

Established in 2000, Nova Plast has been a spearheading force in the domain of plastic items, offering a high-quality range of Omega Dust Pans, Plastic Brooms, Plastic Hangers, Plastic Basins, Earth Plastic Baskets, Plastic Strainers, Soap Cases, etc. Located in Ahmadabad, Gujarat, India, we have secured ourselves a leading position as a prime manufacturer, supplier, and trader. The company was incepted with a dream to revolutionize the norms and demands of plastic items, combining technology with strength to take special care of the different requirements of the clients.

We comprehend the significance of dependable products from day to day, which is why everything bearing the Robin name goes through strict quality testing and quality checks.
