About Us

We are a leading manufacturer with a strong presence in India. We take pride in our state-of-the-art manufacturing hub, which is equipped with the latest technology and equipment to ensure the highest quality of products. Our manufacturing capabilities are designed to handle high-volume production of about 1GW+, enabling us to meet the demands of our clients across a range of industries.

SRPL Group, based in Navi Mumbai, is a leading solar structure manufacturer, delivering innovative and sustainable solutions to over 10 countries. We specialize in high-quality, tool-free, and easy-to-install solar mounting systems that are built to withstand harsh weather conditions. With a technically sound team and a commitment to excellence, we help customers achieve their renewable energy goals while reducing their carbon footprint. Our vision is to become the most admired provider of renewable energy solutions, delivering international standards of quality and service.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	solar panel mounting structure,
No of Staff	100
Year of Establishment	2014
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	As Per Requirement
ProductRange	solar panel mounting structure,

Our Products

Aluminium Walkway

Solar Panel Safety Handrail

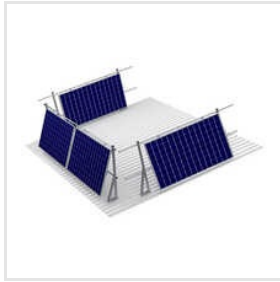

FRP Walkway

GI Walkway

2P-Ground Rack Solar Panel

Solar Panel Rail Rack

PT Classic Rack Flat Roof Solar Panel

Single Flat Fix Fusion Solar Panel

Dual Flat Fix Fusion Solar Panel

Dual Flex Rack Flat Roof Solar Panel

2P-Elevated Rack Flat Roof Solar Panel

2P Classic Rack Flat Roof Solar Panel

Single Flex Rack Flat Roof Solar Panel

EW Classic Rack Flat Roof Solar Panel

LS Smart Rack

PT Smart Rack

ADDRESS

B No. W227, Khairane Midc,
Thane, Belapur Road, Near
Kopar Khairane Fire Brigade,
Navi Mumbai, Maharashtra,
India (400710).
